1. Choose Your Wreath Base

If you choose a plain wire frame, you may want to attach some greenery, fabric, or other covering.

Ask those gathered to write, draw, etc. what they are grateful for. Photos, keepsakes, souvenirs, can also work.

3. Attach Your Gratitude Items

Use string, yarn, twine to attach your chosen items to the wreath. You may also simply nestle them into the greenery, etc.

4. Add Your Fasteners & Frills

Make it fun! Spruce it up!
